ABOUT ME

I always wanted to be a singer, a teacher and an astronaut. With effort and dedication I studied **Philology**, singing, music and theatre; my professional experience has been linked to music, **communication**, tv and radio.

I have travelled **around the world**. I have worked in Japan, Argentina, UK and different Spanish cities. I am an inquisitive person, cultural **diversity lover** and passionate about comparative linguistics.

I am self-taught in editing my own audio-visual material, my computer has been my travel partner.

I am tenacious and **committed**, and a disciplined sports person. All these experiences helped me develop technical and **managerial skills**, such as: adaptability and **empathy** to understand the needs of each project. I overcame adversities with other people's help, that is why, at work and in my personal life, I believe in **team work**.

I am taking off as a front-end developer with **enthusiasm**. Houston, the countdown is starting.
